Mini Pendant

Golden Lighting's Davenport collection is an updated, traditional style that features a series of large, traditional, classic box lanterns. The open-cage design is accented by a simple, decorative, rope braid detail and the exposed bulb creates a stunning effect. The hand-painted Etruscan Bronze finish is multi-layer and has faint gold highlights. This mini pendant can be used alone or arrayed in a group. Ideal for the kitchen, the mini pendant provides soft ambient downlight, illuminating a kitchen bar or countertop without interfering with activity on the surface.
